

# Dictionnaire d'Archéologie Chrétienne et de Liturgie

*Il sera fait observation que les tomes 14 et 15 manquent ici et sur Gallica.*

This is a 15-book set published in 30 volumes between 1907 and 1953, in French. The volumes up to Book 5 were published before 1924, and are in the public domain in the United States. Below we link to online copies of these public domain volumes. All the volumes from this period were published under the supervision of Fernand Cabrol and Henri Leclercq.
